## Earthdog Training Clinic

Friday Afternoon

Give your dog an edge and work out the kinks before it counts!

Once again the BTCR will offer a training clinic after dig-in on Friday afternoon. We have several experienced trainers who will offer training tips, introduce young dogs to the quarry, and work on challenges you may be having with more experienced dogs.

### ***New and Experienced Dogs Welcome!***

No pre-registration necessary, just come the day-of and sign-up with Mary Powell at the sign-in desk.

Estimated start time: 3 pm Friday, 11/12/2021

Cost:

**Introduction to Rats (above ground work) and all below ground work (intro, junior, senior and**

**masters)**--\$5 each run. You will get individual time and an opportunity to work on whatever problems you may be having in getting your next Q.

For information about the clinic please contact Linda Steinhoff the Clinic chair person at [steiny1@sbcglobal.net](mailto:steiny1@sbcglobal.net)

### **Join us for our dinners!!**

**Friday:** We're having a BBQ—BYOP (Bring-your-own-protein) and a side to share potluck dinner after the clinic! Come join the fun, have some dog talk, and enjoy good company!

**Saturday:** Please join us Saturday evening after the trial!! Corn Hole games, pizza and salad for dinner.

## NASDA Trailing and Locating

5 tests over 3 days!!

We are doing NASDA Trailing and Locating tests again!! Friday, Saturday and Sunday! One test Friday and 2 tests Saturday and Sunday! This event is put on by Liz Carter.

Contact Mary Powell at [mary@lotsadogs.org](mailto:mary@lotsadogs.org) for info and/or a premium.

## NOTICES

You need just one entry form for each dog.

Is your dog new to Earthdog?? We advise pre-entry into the "Introduction to Quarry" test. If the judge advises a move-up to the Junior level notify the test secretary and she will do a move-up for you.

## Information Table

We will have an information table for anyone that has questions about our earthdog or NASDA events. You can get answers about where the various tests are being run, about what classes you should enter and anything you have questions about.

## Senior Fencing

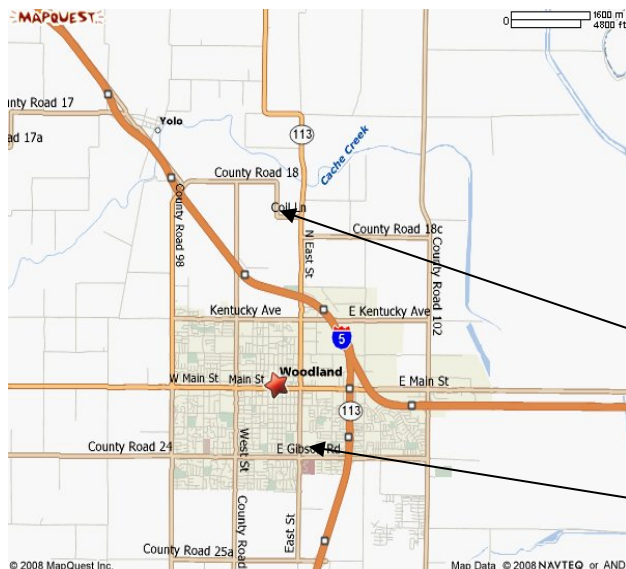

We are going to have fencing around the Senior test area for this test. It will be like the junior fencing. It was suggested we do this by the AKC rep that was at our April tests. We've not seen this done and haven't done it in the past but have decided to do what the AKC rep told us to do.

## Photographs

The Border Terrier Club of the Redwoods will have volunteer photographers on site during the event. Candid pictures and posed pictures of awards will be taken to be used in the club newsletter and will be posted on the internet. Pictures may be forwarded to Border Terrier Club of America for utilization in the Borderline magazine. Presence on the site will be taken as indication of approval to be photographed.

## Endurance Earthdog

The Border Terrier Club of the Redwoods will continue to offer the Endurance Earthdog challenge. Dogs that have earned the Master Earthdog title can compete for Endurance Earthdog. They are entered simultaneously in Master and Senior classes, and BTCR forwards recording fees to AKC for both classes.
